

# Woll-Schwwestern (Wool sisters)

100% virgin wool (Merino medium), running length: 150m = 50g, needle size: 3.5-4.5mm

Care recommendations: Hand wash

**All sisters have friends. Brilliant tone-on-tone colour transitions can be conjured up with friends.**

To connect the balls, it is best to use the felting technique.

See [www.schoppel-wolle.de/temp/Filzverbinder.pdf](http://www.schoppel-wolle.de/temp/Filzverbinder.pdf)
