

One and one make three - Info 02

The work is going on - and making good progress! ZSAG has dismantled two large racks in the warehouse. These will be used by Minnotex in the future.

The Minnotex shop is currently moving to Lyssach. For you as a customer, nothing will change yet. **You can still order Minnotex articles from Minnotex and ZSAG articles from ZSAG.** On the websites of Minnotex and ZSAG you will find a list of which articles are already available from ZSAG.

We are also already busy in the marketing area. We have reviewed our calculations and in some cases slightly adjusted them. Above all, both partners now have the same prices. The corresponding price lists can be viewed on the respective homepages.

We have also checked and standardized the discount area. This looks as follows:

- Institutions 10%
- Hand weaving studios* 20%
- Dealer * 20%
- Dealer Schoppel-Wolle * 50%
- * against copy of the commercial registry

The quantity discounts from Minnotex GmbH will be abolished.

Deliveries are free of charge from an invoice amount of CHF 1,000.00 (only in Switzerland).

Please do not hesitate to contact us if you have any questions.
